

TOUGH FINANCIAL QUESTIONS

DURING A TRUMP PRESIDENCY

Sometimes, people are curious about their investments but just don't know the right questions to ask. At Glassman Wealth Services, we love to empower clients. So, **here are the most challenging questions to ask your advisor in January 2017.**

- 1** How do we plan for our personal taxes?
- 2** How do we prepare for inflation?
- 3** Who are the winners and losers in a trump presidency?
- 4** What's priced into the market already?
- 5** What are we doing in client portfolios?
